Standard Letter of Warranty for Cosentino®

This Letter of Warranty (hereinafter, the 'Warranty') shall only be fully valid when the consumer has registered the project within 6 months of the purchase of the product, as indicated in the relevant section, and when the consumer submits the original invoice or purchase receipt (indicating the date of purchase and the name of the dealer of the product). The consumer shall make the defective product available to COSENTINO GLOBAL S.L.U. (hereinafter, '**COSENTINO**'). In order to be effective, this Warranty must be registered online on the website www.cosentino.com This Warranty is transferable.

COSENTINO® reserves the right not to offer the warranty service free of charge if any of the requirements set out in the previous paragraph are not met, or if the information provided by the consumer is false, incomplete or illegible.

This Warranty is intended for non-professional end users and shall be considered applicable for residential use, such as any building or facility for private accommodation, whether it is a single-family or multi-family dwelling.

Cosentino's mere recommendation as to certain independent contractors such as installers or fabricators of its products ("Independent Contractors") does not constitute any guarantee, warranty, or promise regarding the fabrication or installation of same. Cosentino's reference to the terms like "Certified Fabricator" or "Certified Installer" are only recommendations or suggestions to Cosentino's customers as to particular Independent Contractors who may have received a specific training by Cosentino or that may have the experience and knowledge in installing or fabricating Cosentino's products. Such reference to those terms or any related recommendations by Cosentino does not entail any particular promotion, assumption of liability, sponsorship, guarantee, warranty, or promise regarding the acts performed by those Independent Contractors. Cosentino specifically disclaims any responsibility or liability relating to the installation, fabrication and/or use of its products and shall under no circumstances whatsoever be liable for any special, incidental or consequential damages which may arise from such installation, fabrication or use thereof.

Silestone[®], Dekton[®], Sensa

This Warranty covers quartz agglomerate surfaces registered internationally under the SILESTONE[®] brand name, as well as large format ultra-compact surfaces registered under the DEKTON[®] brand name, designed for products such as worktops, cladding, walls and floors, among others (hereinafter, the ‘**Surfaces**’).

Likewise, this Warranty also covers Surfaces, when they have undergone any variation at the customer’s request and it has been carried out at COSENTINO[®]’s facilities.

In general, this Warranty covers all those products that cannot be referred to as End Products manufactured by COSENTINO[®] as defined in the relevant section of this Warranty.

General Aspects covered under the Warranty:

- COSENTINO[®] undertakes to replace or repair defective Surfaces under the terms and conditions set forth herein, with the same characteristics (color, thickness, etc.) as those of the product purchased by the customer.
- This Warranty covers products intended for the uses defined within the scope thereof, and maintained according to the care and maintenance instructions for Surfaces, as set out in the USE AND CARE manual of each brand. It is important that the final choice of color and finish be made before completing the purchase, as changes made later will not be covered under this Warranty.
- It also covers surface defects not found in material quality controls, such as material pathologies resulting from the production process.

General Aspects not covered under the Warranty:

- Faulty or improper installation, not following the manufacturer’s fabrication and assembly recommendations.
- Intervention by third parties: any damage caused directly or indirectly by any action, work or any other intervention carried out by third parties outside COSENTINO[®], such as problems caused by incorrect finishing/fabrication of the product, modifications to the Surfaces made by third parties, improper installation methods or any other alteration or manipulation of the original product by Cosentino[®], such as color variations, thermal shock, impact damage, misuse or inadequate chemical treatment, performed by third parties outside COSENTINO[®]. It is important for third parties to follow the manuals that Cosentino[®] makes available to them, such as those related to Fabrication, Handling and Installation, which provide guidelines on all of the above and good practices.
- Force majeure, conditions on the site where the Surfaces are installed or handled, architectural and engineering design, structural movement, acts of vandalism, accidents, natural disasters, damage caused by interaction with other products or any other cause beyond the control of COSENTINO[®].
- Damage resulting from improper use, including, but not limited to: (i) the use of the product for purposes other than those for which it is intended; (ii) use of the product in a manner that does not comply with applicable technical or safety standards; or (iii) failure to follow the user and maintenance manual.
- Products that have not been paid for in full.
- Three-dimensional products manufactured by third parties.
- This Warranty does not cover Surfaces that do not meet the customer’s requirements, in their personal opinion, after delivery, in terms of color, veining performance and appearance (for those surfaces that have such a feature),

edge profiles or other aspects selected by the customer at the time of purchase.

- The differences between samples or photographs of any COSENTINO® product and the actual product purchased are excluded from this Warranty.
- This Warranty shall be void in the event of repairs or handling made to the product without opportunity for verification by COSENTINO®.
- Any unforeseen or consequential damage, loss or cost, other than that of the product itself, including but not limited to, damage to other products, facilities or additional or supplementary repairs to plumbing, electrical or building work that may be necessary to repair or replace the Surfaces. These shall be the sole responsibility of the customer.
- Damages that may arise from deficiencies or omissions in the technical project that is the basis for the building work in which the Surfaces are used.
- COSENTINO® does not manufacture or fabricate worktops or any other application, but provides the material to manufacture or fabricate them. Therefore, if any of the conditions stated in the terms and conditions contained herein are met, the material necessary to replace the worktop will be provided, but the costs of preparing and installing the product will not be covered by COSENTINO®.
- This Warranty only covers the replacement of the defective product with one of identical characteristics (color, thickness, etc.) to that purchased by the customer, unless this is impossible due to the product being discontinued, in which case it shall be replaced by the most similar product at that time.
- Use of the products in public buildings. Public use includes, but is not limited to, commercial buildings and public accommodation facilities (including hotels, hostels, residencies, guesthouses and holiday apartments).
- Surface damage caused by external agents on the surface of the material affecting its surface appearance.

Specific Warranty Information:

Silestone® 25 Year Warranty:

COSENTINO® guarantees the registered owner of the installed SILESTONE® by Cosentino® products against manufacturing defects for a period of **TWENTY-FIVE (25) YEARS**.

What the Warranty covers:

- Surface damage to two-dimensional applications, such as worktops, cladding, walls and floors permanently installed inside a dwelling (or property intended for use other than a residence).

What the Warranty does not cover:

- Exposure of the product on the exterior of buildings.
- Cracks in the surface after installation. Cracks in the end product shall not be considered an indication of defective material. The main causes of cracking are improper movement of the material, direct application of heat to the surface, excessive weight placed on the surface or the result of striking the material after installation.
- Direct application of heat to the surface.
- Excessive weight placed on the surface.
- Chipping, as it is not due to defective material, but is the result of scraping and striking objects against the edges of the surface.
- Variations in color, shade, particle structure or gloss level of the material resulting from natural changes over time in the various components of the product.

- The definition of manufacturing defects covered under this Warranty does not include the durability of features ancillary to the actual functionality of the product during its period of validity.
- Any problems or damage caused by exposure of the product to heavy and continuous use over long periods of time, including but not limited to discolouration, loss and decline in performance and aesthetic characteristics, and warping of floors. Problems, damage or nuisance resulting from the generation of static electricity or the use of products designed to eliminate or reduce its effects.

Dekton® 25-Year Warranty:

COSENTINO® guarantees the registered owner of the installed DEKTON® by Cosentino® products against manufacturing defects for a period of **TWENTY-FIVE (25) YEARS**.

What the Warranty covers:

- Surface damage to two-dimensional applications, such as worktops, cladding, walls and floors permanently installed inside a dwelling (or property intended for use other than a residence). See the USE AND CARE manual.
- Cracking caused by exposure to extreme hot and cold temperatures, as well as thermal shock cracking.
- Stains due to common food, beverages and household products, provided that customers have followed the proper care and maintenance guidelines.
- Fading due to direct exposure to ultraviolet (UV) radiation, both inside and outside buildings.
- DEKTON® products used for barbecues, fireplaces or any surface which may be exposed to heat, provided that the applicable installation manuals available at www.cosentino.com are strictly adhered to.
- The DEKTON® XGloss/Stonika series consist of ultra-polished and ultra-compact surfaces, which require regular maintenance and cleaning. This Warranty covers these surfaces that have been maintained in accordance with the cleaning and maintenance guidelines, which can be found at www.cosentino.com

What the Warranty does not cover:

- Cracking and chipping due to the impact of heavy objects and the movement, displacement or positioning of the supporting structure under the surface of the worktop or flooring (kitchen units, floors, foundations, etc.) are not covered under this Warranty.
- Products that have been treated or covered with unapproved chemicals or coatings.
- Products exposed to abnormal use or conditions, or misuse (chipping, cracking, impact damage or breakage due to customer misuse).
- DEKTON® Surfaces are designed to have a natural, non-uniform appearance; as a result, this Limited Warranty does not cover variations in color, shade, particle structure or gloss level.
- This Warranty does not cover wear marks on DEKTON® products, including, but not limited to, metal marks, fingerprints or smudges and other similar wear indicators caused by the use of utensils.
- Some DEKTON® colors may only be suitable for use in a specific application. Cosentino will provide information to the customer on the patterns of the different colors for use in a specific application and should not rely on any other oral or written statements to the contrary. By purchasing these colors in particular, the customer agrees to indemnify and exempt COSENTINO® from all rights and claims under the Warranty if such colors are used or applied contrary to COSENTINO®'s recommendations.
- The warranty for DEKTON products with GRIP/GRIP+ finish is limited to FIVE (5) years under the terms, conditions and limitations described for all other DEKTON® by Cosentino® products.

Sensa® 15-Year Warranty:

COSENTINO® guarantees the registered owner of the installed SENSEA® by Cosentino® products against manufacturing defects for a period of **FIFTEEN (15) YEARS**.

SENSEA® offers a protective treatment to reduce the absorption and therefore also the stainability of the material. The treatment is not a sealer, but bonds to the surface of the stone in a different way to conventional sealers.

For further information, please refer to our 'USE AND CARE' manual.

What the Warranty covers:

- Surfaces permanently installed inside a dwelling or property intended for such use.
- Defects in the integrated protective treatment provided that the instructions in the Product Manual are complied with.

What the Warranty does not cover:

- Color variation, thermal shock or inappropriate chemical treatment, such as application of acid, nitric acid solution or other non-SENSEA® sealants, carried out by third parties not related to COSENTINO®.

SilQ 25-Year Warranty:

COSENTINO® guarantees the registered owner of the installed SilQ® by Cosentino® products purchased through a builder against manufacturing defects for a period of **TWENTY-FIVE (25) YEARS**.

What the Warranty covers:

- Surface damage to two-dimensional applications, such as worktops, cladding, walls and floors permanently installed inside a dwelling (or property intended for use other than a residence).

What the Warranty does not cover:

- Exposure of the product on the exterior of buildings.
- Cracks in the surface after installation. Cracks in the end product shall not be considered an indication of defective material. The main causes of cracking are improper movement of the material, direct application of heat to the surface, excessive weight placed on the surface or the result of bumping the material after installation.
- Direct application of heat to the surface.
- Excessive weight placed on the surface.
- Chipping, as it is not due to defective material, but is the result of scraping and bumping objects against the edges of the surface.
- Variations in colour, shade, particle structure or gloss level of the material resulting from natural changes over time in the various components of the product.
- The definition of manufacturing defects covered under this Warranty does not include the durability of features ancillary to the actual functionality of the product during its period of validity.
- Any problems or damage caused by exposure of the product to heavy and continuous use over long periods of time, including but not limited to discolouration, loss and decline in performance and aesthetic characteristics, and warping of floors. Problems, damage or nuisance resulting from the generation of static electricity or the use of products designed to eliminate or reduce its effects.

End Products Manufactured by Cosentino®

Kitchen sinks, Integrity sinks, bathroom countertops, shower trays, washbasins

This section of the Warranty is limited to end products manufactured under any of the COSENTINO® brands in the form of three-dimensional products, such as kitchen sinks, washbasins,

bathroom countertops and shower trays (hereinafter, the "**End Products**"), and covers any manufacturing defects in such products for a period of **FIVE (5) YEARS**, from the date of purchase.

All this under the terms, conditions and limitations described for the rest of SILESTONE® or DEKTON® by Cosentino® products in this document and also available on the website.

This Warranty is only valid when the end products have been correctly installed (in accordance with the applicable regulations and the specific assembly instructions), and have been used correctly according to their intended application (Use, Care and Maintenance Guide).

Consumable items (rubber elements, seals, valves, etc.) are not covered under this Warranty.

Registration and Claims

Warranty Registration:

To register as a holder of this Warranty, it must be activated via www.cosentino.com. This website requires certain information for registration, including information relating to the point of sale and/or the marble supplier, as well as the customer. Therefore, we recommend that customers register directly with the point of sale or marble supplier. At the end of the registration, the customer may print this Warranty for their use.

In order to benefit from the Warranty, it must be registered within six (6) months of purchase.

How to Make a Claim
